His Highness The Maharaja of Mysore,
(Through the Private Secretary),
M Y S O R E

May It Please Your Gracious Highness,

Adverting to the letter General No 4030/600 dated 16-11-1911 (copy enclosed) from the Inspector General of Education, Mysore, to the Headmaster, Pachaiyappa's High School, Madras, of which my second son, Jayaram, is a pupil of V Form D Section to whom a scholarship of Rs5 per mensem was sanctioned in the Government Order No 7112-14 by M E D (211-04) -8 dated Bangalore 9-1-06 I most humbly beg to bring the following facts for Your Highness's merciful consideration and favourable orders

The scholarship above referred to was granted to my son while he was in the IIStandard His progress in studies all these years were uniformly and highly satisfactory In support of this I herein enclose a Certificate given by Dewan Bahadur P Rajaratna Mudaliar C I E and a few extracts from the Head Masters and the Managers of Schools of which he was a pupil all these years for Your Highness's kind perusal My son Jayaram is at present reading in V Form and therefore not less than at least three years may be necessary for him to become a bread winner After the death of my husband by running into debts I was able to maintain this large family I have still a daughter unmarried The marriage of my second daughter was recently celebrated by raising loans My eldest son earns nothing

as he has not enough education The whole family is at present in very adverse circumstances The little I had after the death of my husband was lost in Messrs Arbuthnot & Co Under the circumstances detailed above the stoppage of scholarship to my second son Jayaram will seriously interfere with his education I therefore most humbly beg Your Gracious Highness to issue orders that the scholarship should be continued for at least three years to come I am sure meanwhile he shall be able to qualify himself for the post of a Hospital Assistant and serve Your Highness as his father did

For this act of mercy and kindness the whole family will feel grateful and pray for your Highness's long life and prosperity

I beg to subscribe

Your Highness's Humble & Obedient servant

K M Jayaram son of the late Perumal Naidu (Hospital Assistant in the Mysore Service) has been reading in the School with which I have had connection - first in Chintadripet and afterwards in Pachayappa's High School we had promotion every year and the Head Master reports favourably of the progress and conduct of the boy Owing to his father having been employed on duty in places where educational facilities were wanted Jayaram had to begin his education regularly only in his eleventh year Having lost his all in Arbuthnot & Co the family is left helpless and the boy will be unable to continue his studies if the Scholarship so generously granted by the Government of H H the Maharajah of Mysore is not extended for some more years
